<b>Bottling Date</b>	31 <sup>ST</sup> OCTOBER 2003
<b>Maturation</b>	Stainless Steel
<b>Wine Style</b>	Complex tropical fruits with lime
<b>Colour</b>	Pale yellow hues
<b>Tasting Notes</b>	In making this CAVES RIESLING, We have preserved the flavours of the grapes in their natural state. The initial aromas suggest a complex, ageing Riesling with tropical mango and lime. The palate is fleshy (with weight) and harmonious with a lingering creamy mineral acid finish.
<b>Comment</b>	The World Heritage Listed Naracoorte Caves in South Australia are part of the rich, limestone fossil beds that lie directly under the dunes where our vineyards grow. It is here where our Riesling vineyard produced this fine example of Australian Riesling.
